

North Coast Ohio Sail & Power Squadron

North Coast Ohio, was founded in 1967 and is a non profit, educational organization dedicated to making boating safer and more enjoyable by teaching classes in seamanship, navigation and related subjects.

We enjoy participating with our fellow members on the water and in the classroom.

We offers many carefully planned courses in subjects such as Seamanship, Piloting, Plotting and Position Finding, Celestial Navigation, Cruise Planning, Engine Maintenance, Marine Electronics, Sailing, and much more. These courses are taught by experienced member instructors.

Our purpose is to serve the public and our membership by promoting boating safety through education.

Additionally, we participate in community events and co-operate with the Coast Guard, NOAA, and The Ohio Division of Watercraft.

Oh, did I mention, we have, fun!

For Information on joining us.
